The 96th Texas FFA State Convention will be held July 8-12, 2024.

Show is June 13-15

“Achievement seems to be connected with action. Successful men and women keep moving. They make mistakes, but they don't quit.”

Making a difference

What you do makes a difference. Keep that in mind, and keep doing the good things you do.

To the extent you're able, find ways to do even more. Because each time you make a positive difference, the benefits extend far beyond that single episode.

It's easy to assume that errors will be corrected, that justice will prevail, that inefficiencies will be improved. But mere assumptions don't accomplish any of those things.

When life gets better, it's because people do the work to make it better. It can be a very satisfying and enriching experience to be one of those people.

You've felt that satisfaction before. Today is your opportunity to do what will bring forth that feeling again.

You have the ability, you have the time, you have the thoughtfulness and creativity, and you can put it all to good use. What you do makes a difference, so do it.

The Earth 100th Celebration will be using the Showbarn and Arena for some of the activities. Come help with some cleanup and community service to get ready for them being in our place.

Once again we say thanks to Zoetis and the Animal Health International Folks for their annual donation to our chapter. **THANK YOU!!!**
